We were placed on lock down on 11-8-18
We were taken to A5 section
Known as the Whole. Its a special Management
pod and has a CO posted at all times.
In this Section their are 2 mentally Impaired
inmates (Kewen Esque, Kenny Hall). They
are disturbed individuals who dont really
have the capacity to take care of them selves

IV Statement of Claim (Continued)

Our Cells in this Section have mold in them as well as the whole section is nasty with Iron stains all over the walls. We are never offered rock and when we ask for it we are told we have to wait, and it never happens. We dont get our Cloths washed we have to do it our selves in our sinks. We can't send our laundry out because it never comes back and we loose our personal property. We are never offered Gym. The food is uncooked and untable most of the time so we just dont eat. If we complain to much they get upset and say we refuse our food and we get nothing! We are all treated less than human but Kenny Hall and Kevin Esque have it the worst in this institution. My mental capacity has been altered by the things that go on in this Section and the degradation we indore on a daily basis. AS a arm of West Virginia The Standards Should be quite high but sadly it is the Worst thing a human, montelay Ill or not, will ever have to endure. It's too soon to see what problems this will cause any one of us in the future

Will we need medication due to PTSD
or what whos to say.

IV. Statement of Claim (continued):

Both individuals Urinate in the floor
Constantley and Kevon plays in his fecal
Matter by rubbing it on the floors and walls.
We were inundated with the smell of Urin
as well as the smell of fecal matter. We woke
up to water, Urin, fecal matter as well as
trash in our cell from their cells. We had
to sit in it for 6 hours or more before
anything was done to clean it up.
